Meeting called to order @ 5:32pm

Recreation: board agreed to sign the letter for the lawyer fees for exploring the contract with East Millinocket. It should be explained that we will only pay for up to this date and no more. Kathy will talk with Shirley. It was all explained to the board that Scott Hannington of Hannington Lumber saw the article in the Lincoln News pertaining to the recreation building and the town not being able to purchase one at this time because of funding. He has offered to make the same building that Jody was looking for (12' x 16' with a 4' porch). This will be made out of cedar with a metal roof and all the same specs that Jody was looking for. The cost to the town will be \$2,800 with Scott donating the remainder to the town. All were in favor of this.

Greg asked the board to review the rules and regulations pertaining to posting of town roads and would like to meet on this next week.

Other Business: Phil mentioned to have Mike, with the snow now starting to melt, to review problem over on Old Farm Road. Jane asked that Greg look at her second driveway to see what can be done with the settling of the gravel.

Motion Phil Perkins second Jeff Jandreau to accept the minutes of 3-9 and 3-16. Passed 4-0

Motion to adjourn @ 6:16pm
