Meeting called to order @ 5:35pm by Vice Chairperson Galen Kimball

KACC-Jen gave the board an update on the chamber happenings. Medway's count is at 12 to date, with this being renewal time, few still have not renewed. Change in the chamber by-laws. Board needs to vote on representative for the town (can still be Dawn) and there is room for a board member to also be on the board. Will discuss this at a later date with a full board after town meeting. Jeff commented that he felt that Jen is doing a "bang" up job with the chamber and feels that the board is receiving more and more info from them.

Dawn gave the board an update on Medway Community Association/Dinner Theater went well/did a 7<sup>th</sup> and 8<sup>th</sup> grade dance/wrestling/selling hot dogs for baseball games/clean up day/working on fire works for this summer and the location/assisting with the dinner for Ronnie Thompson for 28<sup>th</sup>

LD 1370-Lurc Letter signed by a majority of the board

Motion Jeff Jandreau second Phil Perkins to accept the plowing contract with Penobscot County. Passed 4-0

Motion Jane McLaughlin second Jeff Jandreau to accept the Homestead form. Passed 4-0

Other Business: Jeff asked about the rest area project that is out to bid. Is was explained to the rest of the board that Jeff had called Kathy to have her go to a pre bid on the rest areas to see if it was something that the town would be interested in. Kathy did go, went over the bid information booklet, highlighted some areas and gave David a copy. Only a one-year contract with an option for two at the states discretion. A lot of capital would need to be put forth to be able to do the job. Kathy did not feel that this was a profitable venture for the town to be pursuing. Jane asked that Greg call her so as she will know when they are going to fix her driveway. Shelly informed that board that she is on a transitional team that is working on a summer project that will allow free lunches for all in kids. They are working with Frank and Jody on this project. With the federal money that is available with this program they will be able to employ three summer kitchen employees. They will still need volunteers to assist with putting the lunch's together and to help with delivery.

Motion Phil Perkins second Jane McLaughlin to accept the minutes. Passed 4-0

Motion to adjourn @ 6:56pm to budget meeting
